DON TWIFORD

TWIFORDMINISTRIES.COM

Having encounters with God has changed my life. This has produced in me a passion for being a student of the Word of God and a passion for prayer. I love the phrase: Knowing God and making Him known. I'm thankful for the opportunities for ministry in many and varied areas throughout my life. My wife of 39 years, Vicki, and I have traveled as evangelists in itinerant ministries since 1997. I was ordained with the Assemblies of God in 1979 and have been in good standing since. Being a witness is what encounters with God always lead to. What a journey it is to follow Him!
