ASSEMBLIES OF GOD YOUTH MINISTRIES

Amazing Students, Parents, and Youth Leaders,

Thank you for being a part of such a significant discipleship journey with us. As the rulebook is released this year, our prayer is that this will be the most transformational year for you yet. That as you practice, write, draw, paint, and dance, you would encounter the Holy Spirit in a new and fresh way. Our prayer is that as you practice your presentations, you have impactful times of discussion, prayer, and discipleship with your youth ministry.

Fine Arts is much more than the presentation you are preparing. It is a time of DISCOVERING, DEVELOPING, and DEPLOYING your God-given giftings. It is the chance to integrate these skills into your local churches and youth groups. It is sharing your artwork with your friends in such a way that fosters evangelistic conversations. It is a Christ-centered and gospel-focused discipleship journey that we are on together.

Our prayer is that this Fine Arts season, you will give it your best. Not because of a certificate, rating, or trophy, but that you would give it your best because God created you to create. Every time you sing, paint, act, draw, or play your instrument, you have an opportunity to give glory to God.

Be encouraged today and remember Paul's words to Timothy as he said, "Do not neglect the gift you have" (1 Timothy 4:14). For we are on a mission: to be a movement of student artists who are more in love with Jesus, more creative, more innovative, and committed to spreading the gospel through any means necessary.

Developing together,

Ashton Peters

National Fine Arts Coordinator

GENERAL INFORMATION

The General Information section applies to all NFAF participants.

For information pertaining to your district festival, contact your district youth director or district Fine Arts coordinator.

PURPOSE

Fine Arts is a discipleship tool of Assemblies of God Youth Ministries (AGYM) designed to help students discover, develop, and deploy their ministry gifts.

Although competitive elements are present, providing a competition venue is not the primary mission of the National Fine Arts Festival. Through Fine Arts, students are given the opportunity to have their skills evaluated by qualified ministers, industry professionals, and educators who encourage excellence, offer ideas for improvement, and inspire students to use their gifts in the local church, community, and around the world in ministry or secular vocation. Scores are not as important as how students are developed through the Fine Arts process by practicing, preparing, and participating in this ministry.

RULES AGREEMENT

National Fine Arts Festival (NFAF) and Kappa Tau (KT) participants must read and abide by this 2025 Fine Arts Festival Rule Book. It is the responsibility of each participant to be familiar with the rules and procedures of this festival. No other person may be held responsible for a participant's lack of information.

By completing a district and/or Orlando25 registration and attending or participating in a festival, pastors, leaders, parents, and students acknowledge that:

1. They have read, understand, and agree to abide by the rules of this festival.
2. They will accept the decisions of the evaluators and coordinators as final.
3. They will not hold AG Youth Ministries, district youth directors, Fine Arts nor its respective officers and staff responsible for any injury as a result of their (or their child's) participation in the festival.

Additional copies of the 2025 Fine Arts Festival Rule Book may be downloaded at faf.ag.org. A Spanish version is available for download at faf.ag.org.

For questions regarding NFAF rules, fill out and submit this form: faf.ag.org/rules

Official responses to NFAF Rule Questions will only come from an ag.org email address. Questions asked on social media are not guaranteed an official response.

NFAF PARTICIPANT REQUIREMENTS

National Fine Arts Festival is open to all Christian students who meet the following criteria:

1. Participating students must be enrolled in grades 6–12 or be 12 to 17 years of age as of September 1, 2024.
2. Participating students must be in good standing with a local AG church or an officially recognized Cooperative Fellowship church and/or youth ministry.

Note: 19-year-old students may not participate in NFAF unless they are enrolled in grades 6–12 as of September 1, 2024. Students who qualify for NFAF by grade and district advancement may participate even if they turn 19 before/during August 2024.

NFAF students must register with their home church.

Students may not participate with multiple churches or with churches or districts other than their own.

If the student is in good standing with more than 1 AG church or youth ministry, he/she must select only 1 home church with which to participate.

Students with satellite or campus churches must register with only one campus, and may not register with a group from a different campus. It is recommended to register all students with the home campus.

JR./SR. CATEGORIES

Categories designated as Jr. are open to students enrolled in grades 6–8 during the 2024–2025 school year (or at least age 12 per participant requirements on page 11).

Categories designated as Sr. are open to students enrolled in grades 9–12 during the 2024–2025 school year.

KAPPA TAU PARTICIPANT REQUIREMENTS

Kappa Tau is an extension of Fine Arts for college-aged students. Kappa Tau participants are not required to participate in nor receive an advancing rating from a district festival. Some districts do offer Kappa Tau categories at their district festivals for students wishing to receive additional experience. Contact your district office for specific information on availability of Kappa Tau categories and how to register for your local festival(s).

It is the participant's responsibility to contact their district office for specifics regarding the district festival. NFAF is not responsible for rules, policies, or category variations specific to district festivals.

Kappa Tau is open to all Christian students who meet the following criteria:

1. Participating students must be 18 to 22 years of age and no longer enrolled in high school as of September 1, 2024.
2. Participants must be in good standing with a local AG church and/or AG student ministries organization (e.g., church programs, Chi Alpha, or AG university).

Kappa Tau students must register with their home church or AG School.

Students may not participate with multiple churches or with churches or districts other than their own.

If the student is in good standing with more than 1 AG church or youth ministry, he/she must select only 1 home church with which to participate.

Students with satellite or campus churches must register with only one campus, and may not register with a group from a different campus. It is recommended to register all students with the home campus.

DISTRICT FINE ARTS FESTIVALS

Most AG districts hold a Fine Arts Festival. Some districts have pre-district festivals (sectional, zone, etc.). Contact your district office for specific information on how to register for your local festival(s). Visit ag.org/Resources/Directories/District-Network-Offices for district contact information. If you are unsure which district your church is located in, enter your information at ag.org/Resources/Directories/Find-a-Church.

Students must register with their home church. Students may not participate with multiple churches or with churches or districts other than their own. If the student is in good standing with more than 1 AG church or youth ministry, he/she must select only 1 home church with which to participate.

Most district festivals follow the same rules and policies as NFAF. However, some differences in rules and procedures may include, but are not limited to, the establishment of alternate age or grade requirements and variant scoring procedures.

The following ratings are given to presentations in Official Categories at the district level of evaluation:

Up to 25 points	Fair
26–30 points	Good
31–35 points	Excellent
36–40 points	Superior with Invitation
-2 points	Time Violation
-2 points	Rule Violation

The following ratings are given to presentations in Exhibition Division categories at the district level of evaluation:

Up to 35 points	Not Advance
36–40 points	Advance

District level Exhibition Division presentations are given an “Advance” or a “Not Advance” recommendation from each evaluator. All Exhibition Division entries receiving an “Advance” from at least two of the three evaluators are eligible to

advance to NFAF.

A “Superior with Invitation” or an “Advance” rating from a district festival qualifies a student to participate in NFAF. If no presentation within a category receives a “Superior with Invitation” or “Advance” at a district festival, then no one in that category will advance to the next level of evaluation.

Participants advancing from the district to national level of evaluation may improve their work even to the point of completely changing the entire selection (i.e., song, script, sermon, artwork, etc.).

District festivals are not required to offer all Fine Arts categories, nor offer any NFAF Exhibition categories or Kappa Tau categories. Districts may also create their own Exhibition categories with the understanding that categories not offered at NFAF are not eligible to advance. However, participants wishing to register for NFAF (except Kappa Tau) must qualify at their district festival by receiving an “Advance” or “Superior with Invitation” in the category(ies) and register accordingly.

If mistakes are made in computing point values or if other situations arise that require attention at a district festival, contact your district coordinators.

It is the participant’s responsibility to contact their district office for specifics regarding the district festival. Fine Arts is not responsible for rules, policies, or category variations specific to district festivals.

NFAF EVALUATION PROCESS AND RATINGS

Presentations are evaluated by 3 qualified evaluators, chosen for their education, expertise, and impartiality, using the following general criteria:

- Selection
- Communication
- Presentation and Technique
- Overall Effectiveness

At NFAF, an average of the scores from 3 evaluators determines the rating of each entry.

The following ratings are given to presentations in Official and Exhibition Division categories at the national level of evaluation:

Up to 25 points	Fair
26–30 points	Good
31–35 points	Excellent
36–40 points	Superior
-2 points	Time Violation
-2 points	Rule Violation

The following awards are given at the national level of evaluation. Entries must have received a “Superior” on their initial presentation to be eligible for awards.

Official and Exhibition Categories

Award of Merit	1 trophy per group/solo entry
Top 3	Entry name recognized at Celebration Service
Top 10	Posted online following the festival

At NFAF, callbacks may be conducted in categories with a large number of entries depending on the number of entries, space available, and Convention Center limitations. Callbacks are issued to a limited percentage or number of the entries receiving a “Superior” rating. Callbacks serve only to assist the evaluators in choosing the National Fine Arts Festival Award of Merit recipients. Evaluation sheets are not distributed for callbacks.

Presentations must receive a “Superior” rating to be considered for a callback or any other award. However, receiving a “Superior” does not automatically qualify a student for a callback or other award. Neither evaluation sheets nor certificates are distributed for callback presentations.

The rating that NFAF participants receive during their initial presentation(s) is the rating reflected on the evaluation sheets and certificate(s) distributed by NFAF and is the rating that serves as the permanent record for scholarship verification (in addition

to any NFAF awards received).

No attempt is made after NFAF to return materials not collected on-site. NFAF cannot print evaluation sheets or certificates postfestival. Evaluation sheets and certificates may be emailed upon request only by emailing faf@ag.org.

CODE OF CONDUCT

Fine Arts maintains a high standard for its participants and attendees. Parents, leaders, students, and guests involved in this festival must be committed to the ministry and must represent Christ in their behavior.

Parents, leaders, students, and guests are expected to demonstrate integrity, respect, and support for all other churches, teams, evaluators, participants, and volunteers. An overly competitive attitude, rudeness, or unsportsmanlike conduct is not acceptable and is considered grounds for dismissal.

Parents, leaders, and students are expected to observe courteous and safe practices when on Festival premises. Practices include but are not limited to:

1. Keeping all walkways clear
2. Refraining from practicing any physical movement presentations near the top of the stairs, railings, balconies, or any other potentially dangerous locations.

Fine Arts provides volunteers who operate as auxiliary staff for the festival. These volunteers give their time and resources and work long hours throughout the week to serve students and the festival. Any rude behavior including verbal/physical abuse directed toward volunteer staff will not be tolerated and may result in disqualification and dismissal of parents, leaders, students, and guests.

It is the responsibility of all NFAF participants and attendees to leave a positive impression at the facilities and on the people with whom we work. Therefore, any participant or attendee showing disrespect for people or property in the host city may be disqualified and dismissed from NFAF.

Failure for any attendee to abide by this code of conduct may lead to disqualification and dismissal from the event.

DRESS CODE

Appropriate dress is required for all entries—keeping category norms, target audience, and ministry effectiveness in mind.

Modest attire must be worn. Clothing must be appropriate for effective interpretation, intended audience, and a worshipful atmosphere. Low-cut tops, open-front shirts, backless shirts, tight apparel, short shorts, extremely baggy pants, and see-through skirts without leggings are never acceptable. Leggings must be non-see-through.

EQUIPMENT PROVIDED

For a list of equipment provided and allowed audio formats at your district festival, contact your district youth director or district Fine Arts coordinator.

For a list of equipment provided and approximate stage sizes at NFAF, visit faf.ag.org.

Wherever possible, NFAF provides all listed equipment and listed stage sizes. However, where space or other limitations exist, NFAF reserves the right to remove or limit the availability of provided equipment and adjust stage sizes.

For presentations requiring audio, NFAF only provides 3.5mm ($\frac{1}{8}$ ") audio plugs. Participants are responsible to bring a suitable device with 3.5 mm ($\frac{1}{8}$ ") audio jack in order to play their tracks. **USB drives, CDs, and soundtracks that require Wi-Fi or a streaming service are not accommodated or allowed.**

Bluetooth speakers are not allowed in any category.

ROOM CONFIGURATION

Every effort is made to provide adequate space for all presentations. However, due to Convention Centers' policies, room or staging/equipment availability, or other circumstances that may arise outside of NFAF control, be prepared to adjust your presentation according to actual room and stage sizes.

SCHOLARSHIP INFORMATION

Many AG universities, colleges, and church programs offer scholarships to qualified district and Fine Arts participants. Each institution determines and administrates their own application process and award amounts.

Fine Arts encourages students to keep all certificates obtained for colleges requesting proof of awards. AG Youth can provide letters of verification for AG colleges requesting lists of NFAF ratings and awards upon request.

Visit colleges.ag.org or contact the AG university or college of your choice for more information about scholarships, applications, and processes.

No scholarships are distributed directly from AGYM.

HEART OF FINE ARTS

Students don't always know what their God-given gifts are or how to use them. *Heart of Fine Arts* is a six-week small group series designed to help students discover, develop, and deploy their skills and passions so they can feel confident and self-assured when they have the chance to share the gospel.

Order at digital.myhealthychurch.com.

GENERAL RULES

The General Rules section applies to all NFAF participants.

For General Rule questions pertaining to your district festival, contact your district youth director or district Fine Arts coordinator.

Read the category rules and evaluation criteria for each category in addition to the General Rules.

Category Rules govern the objective elements presentations must follow and are subject to rule violations if not followed.

Evaluation Criteria govern the subjective elements of a presentation and help define what the evaluators are looking for.

For questions regarding rules, fill out and submit this form: faf.ag.org/rules.

Students must register with their home church. Students may not participate with multiple churches or with churches or districts other than their own. If the student is in good standing with more than 1 AG church or youth ministry, he/she must select only 1 home church with which to participate.

RULE AND TIME VIOLATIONS

Rule and time violations in any category receive a 2-point deduction per violation, per evaluator.

CONTENT

Whether through preaching, ASL, acting, dancing, singing, playing an instrument, sculpting, painting, or any other medium, the goal of NFAF remains the same: helping students discover, develop, and deploy their ministry gifts. The following terms are meant to serve as a guide as you prepare your Fine Arts presentations.

All presentations must be in harmony with the Statement of Fundamental Truths of the Assemblies of God. A copy of the Statement of Fundamental Truths is available online at ag.org under the “Beliefs” tab.

Christian Message is defined as “anything that reflects the message of Jesus.” We believe the Christian message is found in the person and the presentation. We believe “you can identify people by their actions” (Matthew 7:20). We want Christian students to glorify God with their ministry gifts in their presentation(s).

Evident Ministry is defined as “a presentation that clearly communicates a biblical truth.” Biblical truths are communicated in various ways through different mediums. Consult the category rules for clarity on which categories require Evident Ministry.

Overall Effectiveness is defined as “a quality presentation that is deemed appropriate for this festival.”

To honor the diverse thought across our Fellowship, presentations including secular music will not be allowed to present on the National Fine Arts Festival/National Youth Conference evening stage as a preservice presentation or during the Celebration Service. Contact your district regarding their guidelines on the use of secular music for district festivals.

In keeping with Festival standards, we ask that mature content, scenes, or depictions not be included in presentations.

The following content is never allowed in any Fine Arts presentation and will result in disqualification. Remember, you are ministering to a culturally and geographically diverse audience of all ages.

1. Explicit songs, lyrics, text, scripts, or images
2. Nudity
3. Cursing
4. Racial slurs and intentional/blatant racial insensitivity
5. Excessive weaponry and graphic violence

Scripts, songs, sermons, artwork, and writing entries should be developed or created by participants or groups for this Festival and not submitted to any previous year's NFAF (with the exception of the sectional or district festival[s] the entry advanced from).

TIME LIMITS

All scheduled events have time limitations (see specific category rules to find out time limits). Each presentation room has an official timekeeper. If a presentation exceeds the time limit, a 2-point deduction from each evaluator is assessed.

1. Setup time—Begins when the name of the entry/participant is called as being “up” and the announcement is made, “Your setup time begins now.” For setup times, see specific division and category rules.
2. Introductory comments—Comments made prior to the presentation. Introductory comments do not count toward the setup or presentation time limits. For introductory comments instructions, see the Required Introductory Comments section.
3. Presentation time—Begins when a participant does or says anything to indicate the beginning of the presentation. See individual category rules to find out time limits.
4. Teardown time—Follows the presentation and allows time for clean up and removal of props, objects, instruments, and other materials. For teardown times, see specific division and category rules.

REQUIRED INTRODUCTORY COMMENTS

Introductory comments are required for all presenting categories. The following rule applies to any presentation, in any category, in any division. Before beginning the presentation, participants must introduce themselves and their piece. All set up, soundchecks, warm-ups, etc., must be completed prior to introduction. Introductory comments DO NOT count toward the setup or presentation time limits. Comments must be minimal. Do not make other comments like a testimonial or justification for choosing the song(s), sermon, piece, etc.; 15 to 20 seconds is sufficient.

The following rule applies to any presentation, in any category, in any division that uses music. Before beginning the presentation, participants must introduce their music selection(s) by stating the title(s), name of the artist/composer, and arranger (if known). If the piece was composed or arranged by the student, that must be stated. Use this format: “Hello, my name is (or our group name is) _____ and I/we have chosen to use “Song Title” by songwriter(s) (and “Song Title” #2 by songwriter(s), and “Song Title” #3 by songwriter(s) [if applicable]) for our presentation.”

See individual categories for any additional requirements.
